"My older brothers had great careers and you don't want to be in the shadow of that." Paulus has been the starting quarterback for Christian Brothers for three seasons. He has passed for more than 8,nfl jerseys cheap,000 yards,design your own nfl jersey, holds five state records and his teams have lost just three games in three years,michigan football jersey, playing in New York's largest class, AA. Again, I give the Packers a lot of credit for exploring the possibility. Certainly, Paulus would be a project, but it's not like it's out of the ordinary for NFL teams to draft quarterbacks who they know would be projects. Talent is talent. The young man was once considered the best quarterback in the world in his age group. It's definitely worth poking around and seeing what he's still got. In high school,replica hockey jerseys, Paulus was a stud quarterback who could have played anywhere he wanted in college,college hockey jersey, including Miami or Notre Dame (that sounded a lot more impressive when he was being recruited four years ago). He got 53 scholarship offers to play football. He also happened to be a stud basketball player, and ended up choosing to play basketball and basketball only in college. The numbers are

nice, but what intrigues recruiters is Paulus' ability to throw accurately on the run from a sophisticated spread offense. Christian Brothers' scheme has taught him how to handle blitzes and read a variety of coverages. By MJD But the Green Bay Packers, much like the rest of us who have witnessed his basketball career, are apparently looking at Duke's Greg Paulus and thinking, "Clearly, kamazu hockey jersey, this man should have chosen football." The Packers gave him a workout in advance at the NFL Draft. "I still have to go through the process, football jerseys, and I'm just waiting, waiting every day," Jones said. "I'm ready to get in there and learn the defense. And I've been out of the game for a year, nba jersey sizing, so I need to shake off all the rust to get ready to play. ... I'm going to put in a call to the commissioner some time soon and hope he at least lets me work out with the team." Related: NFL Criminal Behavior, NFL League Issues The Cowboys Blog at the Dallas Morning News reports that delinquent cornerback Pacman Jones plans to call Roger Goodell to see if he can be cleared to participate in team workouts and organized team activities (OTAs). There is also the toughness factor. One of seven children, including six boys, Paulus was indoctrinated by older brothers, three of whom played college football at Georgetown. What a tremendous statement about the Duke football program it would be if Duke had a basketball player taken in the NFL Draft, and not a football player. Related: NFL Draft The Packers take a look at Duke's Greg Paulus -- yes, that one Commissioner Goodell, majestic mlb jerseys, Pacman Jones is on line two for you If that talent was once there, nba replica jersey, maybe it still is. And if he catches on with some professional team as a quarterback, mlb authentic jersey, he won't have to play defense, football practice jersey, and that eliminates a large portion of his weaknesses, kids nba jerseys, right there. Ask any point guard who played at North Carolina in the last four years. All jokes aside (except for this one, wholesale nhl jerseys, because it's awesome), I don't see why the Packers wouldn't take a look at Paulus. Pacman: I like different genres. Goodell: No, I mean, why are you watching porno at 8:30 in the morning? Pacman: You won't let me go to the strip club. Goodell: I guess this is a positive step for you. Kind of. Maybe. Actually, no, I can't say that's a positive step. It's 8:30 in the morning. That's just weird, man. I think you might have a problem.
